hello

& welcome back cougars!

We are the counselors of North Rock Creek High School. Our hope with this monthly newsletter is to create an additional way to share important information with our students & their families.

google classroom

The primary way that we share pertinent information t/o the year is through your student's 'Class of' Google Classroom. Please ensure they are checking it regularly for updates on scheduling, tutoring, testing, scholarships & more!

scholarship spotlight

The Coca-Cola Scholars Foundation scholarship is an achievement-based scholarship awarded to students in their final year of high school. Eligible students must also showcase their ability to lead & serve in their schools & communities. The application is now open through Oct. 2nd!
