*hello*

We are the counselors of North Rock Creek High School. Our hope with this monthly newsletter is to create an additional way to share important information with our students & their families.

*college app week*

It's time for our 6th annual College App Week (CAW) Oct. 2nd-6th! Our hope with this week is that all students get excited for college (if that is their path) and seniors get the help they need applying for college/scholarships & an opportunity to visit w/ recruiters! We will have various activities throughout the week to accomplish that goal.

*testing & tech*

- It's never too early for sophomores to start thinking about attending Gordon Cooper Technology Center next year!
- We will have a GCTC staff member on our campus this month to share info. about their 17 programs available to HS students!
- A more in-depth "showcase" will follow on Nov. 8th where students can tour the campus & participate in fun activities
- All upcoming GCTC dates can be found here.

*scholarship spotlight*

Inspired to Teach offers qualified Oklahoma students an opportunity to earn scholarships and benefits. Program participants may have the opportunity to earn up to \$25,500 as they complete their Educator Preparation Program and teach in Oklahoma!
